

**HACKTIV8**

Jakarta, 20 Nov, 2024

To Whom It May Concern,

This letter is to verify that:

- Student's Name : Naf'atul Miskiyah
- Student Number : 35503
- Batch Number : FTGO-007-RMT
- Start Date : 30-Sep-2024
- End Date : 24-Jan-2025

has been successfully enrolled in Hacktiv8's *Full-Time Back-End with Go* program.

As the Head of Student Growth at Hacktiv8, I confirm that He/She has fulfilled all the requirements for admission to this program. These requirements include completing the application process, paying the required fees, and meeting the program's minimum qualifications.

Throughout this four-month program, He/She will undertake a comprehensive curriculum covering essential topics in back-end development with Go, including but not limited to Go Programming Language, Gin/Echo Frameworks, gRPC, MongoDB.

We are confident that this program will equip our students with a strong foundation and valuable skills in back-end development.

Please note that this letter is valid only for the duration of the program. For further verification of enrollment beyond this period, feel free to contact us.

Should you have any questions or need additional information, do not hesitate to reach out to us at admissions@hacktiv8.com

Sincerely,

Elsya Yonathan
Head of Student Growth
Hacktiv8
